

Farkle Help And Features

About Farkle

Farkle is a push-your-luck dice game in which players build turn totals, decide when to bank points, and try to reach the winning score before the other players do.

Topic	Standard Support In This Scorecard
Players	Individual players
Main Goal	First player to reach the winning score
Game Flow	Players take turns building and banking scores

How This Scorecard Works

Scorecard Area	What It Does
Turn Total	Shows the running total for the current turn
Throw Total	Tracks the current throw total before banking
Add Score To Roll Total	Adds entered score to the throw total
Bank Score And End Turn	Saves the turn total into the game total
Bust And End Turn	Ends the turn with no added score

Game Play Support

Option	Description	Default	Customizable
Winning Score	Score needed to trigger the final round and win the game	10000	Yes
