

Generic Score Card Help And Features

About The Generic Score Card

Use this scorecard to keep track of a game that does not yet have its own dedicated scorecard.

Topic	Standard Support In This Scorecard
Play Style	Individuals or teams
End Condition	Fixed rounds or fixed points
Winner	Highest score or lowest score

How This Scorecard Works

Configuration	What It Does
Individuals Or Teams	Choose whether the game is scored by players or teams
Fixed Rounds Or Points	Choose whether the game ends after rounds or at a target score
High Score Or Low Score Wins	Choose the winning rule for the game

After the scorecard is created, rename it for the game you are actually playing. Then use it as a general-purpose score sheet for rounds or running totals.

Scorecard Features

- Rename the scorecard.
- Configure for teams or individuals.
- Configure the game to end by rounds or points.
- Configure whether the highest or lowest score wins.
- Print a scorecard for the game.
- Print scorecards for individual teams or players when appropriate.
- Print completed game history.
- Download completed game history as a JSON file.
- Restart the game.
